

Bernardo Meirelles

Front-end Developer

Work Experience

Development Analyst @ 4Matt

MAY 2025 - MAR 2026

- Led scalable React/TS development and built a custom npm Design System, reducing UI maintenance.
- Developed interactive Redux-Saga dashboards and improved overall quality through code reviews.

Front-end Developer Intern @ 4Matt

MAY 2024 - MAY 2025

- Developed and maintained scalable React/TypeScript applications with reusable components.
- Implemented global state management using Redux and integrated REST APIs.

Education

B.S Software Engineering @ PUC Minas

2024 - 2028

Technical High School @ Colégio Cotemig

2021 - 2023

Awards & Achievements

Outstanding Software Project @ PUC Minas

2025

- Recognized as one of the top projects of the semester across all campus units.

Web Development Technical Diploma @ Colégio Cotemig

2023

- Completed a comprehensive technical program focused on internet technologies and web development.
